

MISSISSIPPI HOME CORPORATION

HBA BULLETIN #1

Via Email

Date: November 2, 2009

To: Participating HBA Lenders

From: Sheri Sullivan,
Loan Processing Specialist

Subject: **Home Buyer Advantage Program**

MHC will now require a copy of the Substitution of Trustee's Deed instead of a copy of the title commitment.

We have also been given instruction from MS Department of Archives and History and also from MS Development Authority that we no longer must provide a copy of the appraisal in order to request the historical review. What we will need is the year the property was built. There has been a field added onto the Reservation form. That date will be provided to MDAH to order the historical review. This should speed up the process. The revised Reservation Form and Checklist are attached for your convenience and have also been updated on our website.
